#### **Cathryn Hendrix, STARBASE**

Cathryn Hendrix, a.k.a. “Rocky”, is an instructor at the Department of Defense STARBASE program at Barksdale Air Force Base in Louisiana. Cathryn’s duties involve teaching rigorous STEM lessons that are aligned with the national Common Core standards and the Next Generation Science Standards. As a STARBASE instructor, Cathryn also provides support to the other classroom instructors during lessons, and helps in preparing materials for each lesson.

Cathryn Hendrix joined the STARBASE team in May after teaching in Caddo Parish for twenty-one years. Her teaching experience is in fourth and second grades, summer school remediation and in deaf education. The last seven years of her career were spent teaching fourth grade science at a top magnet school where she enjoyed leading her students in lots of hands-on activities, experiments, and labs. Cathryn has also served as an adjunct instructor at Bossier Parish Community College providing instruction in remedial English and Reading.

Mrs. Hendrix was born in Little Rock, Arkansas, but has lived most of her life in Shreveport. She graduated from Louisiana State University in Shreveport in 1994 with a degree in Elementary Education. Cathryn has two grown daughters, both of whom are married, one son, seventeen, and six grandchildren. She enjoys cooking, traveling, and meeting new people.
