Tyler Spears **STARBASE Instructor**

Tyler Spears, call sign “Bear”, is an instructor at the Department of Defense STARBASE program at Barksdale Air Force Base in Louisiana. His duties involve enthusiastic teaching of rigorous STEM lessons to local students, while also providing support to other instructors. After lessons are completed each day, he helps in preparing materials for each mission.

Mr. Spears is from Texas, and eventually made his way to Shreveport, Louisiana. After graduation from Caddo Magnet High School, he earned a bachelor’s and then a Master’s Degree in Business Administration from Louisiana State University-Shreveport. Before becoming a teacher, Tyler spent ten years in Information Technology at LSU Health-Shreveport, and then the National Parks Service at the NCPTT. He has also enjoyed various entrepreneurial ventures. His introduction to teaching began in Caddo Parish Schools, where he taught math and science.

With his wife of ten years, Mr. Spears enjoys family life with their five children. They enjoy cooking, traveling, and having fun together. He is a constant learner, always looking at what trends and technologies can make life or the classroom more engaging.
